

U.S. AIR FORCE

Surface Pro 9 available on QEB

The go everywhere, work anywhere, wherever the day takes your team, 2-in-1 that performs like a laptop: Microsoft Surface Pro 9. The Windows 11 Secured-core PC and virtually edge-to-edge 13" PixelSense™ touch display with true-to-life color come together in a light, low-profile form to give your team the power they need for any path.

Get pro-level performance and unlock workstation-class power with optional 12th Gen Intel® Core™ processors built on the Intel® Evo™ platform and Thunderbolt™ 4.

Thunderbolt 4 port (Intel EVO)

Lightweight and ultra-thin portability at 1.98lbs

Select SKUs built on the Intel® Evo™ Platform

Surface Slim Pen 2 is always ready with wireless charging built into Surface Pro 9 Signature Keyboard

Adjust to the perfect angle with the built-in kickstand

Kensington Blackbelt™ Rugged CAC Case

Designed exclusively for Surface Pro 9, the BlackBelt™ Rugged case will secure your data and network while protecting your device. It delivers a TAA compliant CAC reader, USB-C port with passthrough power and an HDMI port that supports Dual 4K. Be confident with military grade protection and next level professional features for security, privacy and productivity.

Designed for Microsoft Surface

Surface Pro 9

1 System software uses significant storage space. Available storage is subject to change based on system software updates and apps. 1 GB = 1 billion bytes. 1 TB = 1,000 GB. See [Surface.com/Storage](#) for more details.
 2 Components available through your Surface Commercial Authorized Device Reseller. Components can be replaced on-site by a skilled technician following Microsoft's Service Guide. Microsoft tools (sold separately) may also be required for repair. Opening and/or repairing your device can present electric shock, fire and personal injury risk and other hazards. Use caution if undertaking do-it-yourself repairs. Device damage caused during repair will not be covered under Microsoft's Hardware Warranty or protection plans.
 3 Requires Dolby Vision® encoded content and video.
 4 Weight not including Surface Pro Signature Keyboard and Surface Slim Pen 2 (sold separately).
 5 Battery life varies significantly based on usage, network and feature configuration, signal strength, settings and other factors. See [aka.ms/SurfaceBatteryPerformance](#) for details.
 6 Sold separately
 7 Tactile signals with Surface Slim Pen 2 can be experienced on some applications on Surface B&P running Windows 11.
 8 Activation required. If your device is managed by your organization's IT department, contact your IT administrator for activation. After 30 days, you will be charged the applicable monthly or annual subscription fee. Credit card required. Cancel any time to stop future charges. See [https://aka.ms/m365businesstrialinfo](#).
 9 For more information on registration in other markets check – link to be provided post GA
 10 Customer Replaceable Units (CRUs) are components available for purchase through your Surface Commercial Authorized Device Reseller. Components can be replaced on-site by a skilled technician following Microsoft's Service Guide. Opening and/or repairing your device can present electric shock, fire and personal injury risks and other hazards. Use caution if undertaking do-it-yourself repairs. Device damage caused during repair will not be covered under Microsoft's Hardware Warranty or protection plans. Components will be available shortly after initial launch; timing of availability varies by component and market.
 11 Colors available on selected models only. Available colors, sizes, finishes, and processors may vary by store, market, and configuration.
